

We are pleased to announce that we completed a **Billet Welding Machine fast-track revamping project in Germany.**

We performed the civil works during a **shutdown period of 13 calendar days** (from December, 27<sup>th</sup> 2019 to January, 09<sup>th</sup> 2020) and we delivered the new foundations 5 days before the contractual date.

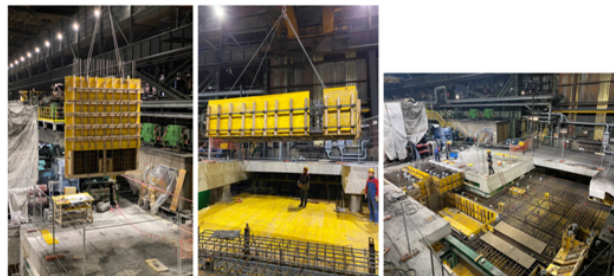

Here a glimpse of the project phases:

*On-site controlled cutting and demolition activities:*

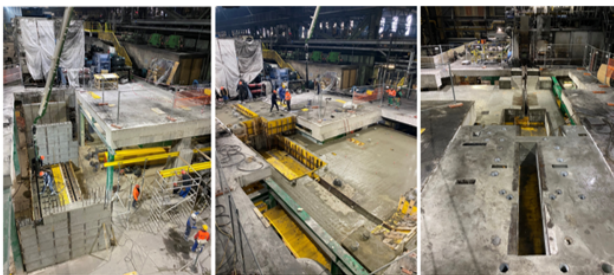

**3** DAYS

*Pre-assembled blocks delivered and installed on site:*

**7** DAYS

*Completion of formworks, reinforcement and connection between blocks and final casting:*

**3** DAYS
