

We are glad to announce that Ferretti Construction has transitioned from OHSAS 18001 to **UNI ISO 45001**, so as to **guarantee the uniformity of the workplace safety management system**.

Thanks to the **UNI ISO 45001**, the prevention policies are improving and Ferretti Construction can count on an **internationally recognized** instrument to **prevent accidents and work-related illnesses** in an increasingly effective way.

Thüringen Italia
